Re: Jurnegan Point Unit Well
#1 - M Sec. 5-24S-25E
Eddy County, New Mexico

Gentlemen:

I feel that sufficient time has elapsed for Delta Drilling Company to have formulated plans for re-plugging the subject well as requested in our letter of March 29, 1967. Therefore, if the required work has not commenced prior to September 15, 1967, I will recommend to the Commission that a hearing be called to permit Delta Drilling Company to appear before said Commission, and show cause why this work should not be done.

Very truly yours,

OIL CONSERVATION COMMISSION
