U. S. GEOLOGICAL SURVEY
ARTESIA, WELL SERVICE

I, Leo C. Hagler, being of lawful age and having full knowledge of the facts hereinbelow set out do state:

That I am employed by SCHLUMBERGER WELL SERVICES, A Division of Schlumberger Technology Corporation, in the capacity of Engineer, that on November 12, 19 68 I personally supervised the setting of a Baker - Model D Packer in a well represented to us by Make and Type of Packer Pennzoil United, Inc. of Midland, Texas as being designated as follows:

Well Mobil "12" Federal #1, Location 660' FNL & 1980' FEL Sec. 12, T23S, R26E,
Field Wildcat, County Eddy,
State of Texas, Land Owner Federal lands,
Land Survey _____,
Well Operator Pennzoil United, Inc.

at a subsurface depth of 11,345 feet, said depth measurement having been furnished me by Peck Hardee, Jr. - Pennzoil United, Inc.; that the purpose of setting this packer was to effect a seal in the annular space between the two strings of pipe where the packer was set so as to prevent the commingling, in the bore of this well, of fluids produced from a stratum below the packer with fluids produced from a stratum above the packer; that the make and type packer set was adequate to effectively and absolutely seal off the annular space between the two strings of pipe when it was properly set; and that this packer was properly set.

STATE OF TEXAS. W. Mex

COUNTY OF Lea

Before me, the undersigned authority, on this day personally appeared Leo C. Hagler, known to me to be the person whose name is subscribed to this instrument, who after being by me duly sworn on oath, states that he has knowledge of all the facts stated above and that the same is a true and correct statement of the facts therein recited.

Subscribed and sworn to before me on this the 1 day of Feb, 19 69.
