Subject: Attached sundry notices:  
James Ranch Unit #3 and James Ranch Unit #36

The attached sundry notices dated 8/23/96 from Enron Oil & Gas Company for produced water disposal from the James Ranch Unit #3 and the James Ranch Unit #36 have been approved. These sundries replace sundry notices dated 8/19/96, approved by David Glass on 8/22/96. Please remove the earlier notices from your files and replace them with the attached copies.

Thank you.
