Re: Gas Well Shut-In Pressure Tests

Gentlemen:

Reference is made to Memo No. 3-75, dated July 7, 1975, from the Oil Conservation Commission, Santa Fe, New Mexico, in regards to the above.

Request exception be granted for our Todd "26" Federal, Well No. 1, Sand Dunes Atoka (Gas) Field, due to the large volume of water produced.

Yours very truly,

H. L. Atnipp  
Vice President
