RE: Change of Operator

Gentlemen:

Enclosed please find our Change of Operator Request (Form C-104) for our New Mexico District II Properties. Effective December 31, 1992, Hadson Petroleum (USA), Inc., was merged with its parent corporation Hadson Energy Resources Corporation. The enclosed documents reflect this merger and subsequent name change.

Should you need any additional information, please let me know.

Sincerely,

HADSON ENERGY RESOURCES CORPORATION
