#1-F, 36-23-31, Undesignated
Morrow Gas Pool, Eddy County,
New Mexico

Gentlemen:

We are returning the subject report for correction and additions as follows. Certain corrections are noted in red on the form. Further, the figures shown in the Pw column, at the bottom of the form, have not been calculated in accordance with instructions in the Commission test manual or determined by use of a bottom hole pressure instrument.

If there are any questions concerning these items, please do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
