Chief Engineer
New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Dear Mr. Nutter:

Enclosed you will find the report on our Panagra # 1 well fire which we received from Mr. Ken Smith in the middle of May. We have been so busy on things out of town and are starting to drill a few wells in the Wyoming area, and the receptionist failed to give me the message to forward this on to your office.

I am very sorry for the delay.

Sincerely yours,

Juanita L. Jones
Secretary
