Dear Mr. Steinhorst:

This letter will serve as your formal authority to flare up to 2 MMCF from the above-captioned well in exception to Rule 404 of the Commission's General Rules and Regulations.

This exception is granted so that you may attempt to restore this well to production, which we hope will be successful.

If we can be of further assistance in any manner, please do not hesitate to call on us.

Very truly yours,

ELVIS A. UTZ
