Mr. W. A. Gressett, Supervisor &
Oil & Gas Inspector
Oil Conservation Commission
Drawer DD
Artesia, New Mexico 88210

Dear Mr. Gressett:

This letter is to confirm my telephone conversation with you yesterday when I informed you that the City of Carlsbad has no objection to the following proposed location of a gas well in Section 12, Township 23 South, Range 26 East, N.M.P.M.:

A well site lying 1,980' from the South line and
1,980' from the East line of said section.

I am informed that that location will not interfere with the operations of the Cavern City Air Terminal. As long as the well is drilled at that location, the City of Carlsbad has no objections to a drilling permit being issued.

Very truly yours,

MICHAEL F. McCORMICK
City Attorney
