Dear Mr. Gressett:

This will confirm our telephone conversation yesterday wherein I stated that the City has no objection to the following proposed location of a City Service Well in Section 30, Township 22 South, Range 27 East, N.M.P.M.:

A well located 660' from the South line and
1,980' from the East line.

I am informed that this location is 1,000' North and 7,900' East of the NE end of Runway 321 and will not interfere with the operations of the Cavern City Air Terminal. As long as the well is drilled at the above location, the City of Carlsbad has no objection to drilling permits being issued.

Very truly yours,

MICHAEL F. McCORMICK
City Attorney
