

INSTRUCTIONS

This form is to be filed with the appropriate district office of the Department not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radioactivity logs run on the well and a summary of all special tests conducted, to include well logs, etc. All entries on this form shall be made in ink. In the case of directionally drilled wells, true vertical depths shall only be reported. For multiple completions, true vertical depths shall be reported for each zone. The form is to be filed in quintuplicate except on those wells where six copies are required. Check the following:
