TITLE Supervisor District II

This form is to be filed in compliance with N.M.C.S.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the device tests taken on the well in accordance with N.M.C.S.

All sections of this form must be filled out completely for it to be able on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of well well name or number, or transporter or other such items and complete separately. Section C-104 must be filed for each pool to which this form is filed.
