Dear Mr. Gressett:

This letter is to inform you that the City of Carlsbad has no objection to the following proposed locations of gas wells in Sec. 2, Township 22 S, R 26 E, N.M.P.M.:

A well site lying 990' from the South line and 660' from the East line of said section and a second site lying 2,500' from the North line and 330' from the East line of said section.

I am informed that those locations will not interfere with the operations of the Cavern City Air Terminal. As long as the wells are drilled at those locations, the City of Carlsbad has no objections to drilling permits being issued.

Very truly yours,

MICHAEL F. MCCORMICK
City Attorney
