Re: Annual Gas Well Shut-in
Pressure Test
(Division Rule 402)

Gentlemen:

Your request for exception to the subject rule for the following well is hereby approved.

Gulf Federal Com Well No. 2-L 6-23-27
Producing from the South Carlsbad Morrow Gas Pool

However, if for any reason the well is shut-in during the year, the test is to be taken and the results reported.

Very truly yours,

Les A. Clements
