Dear Mr. Gressett:

Please amend the Authorization to Transport Oil and Natural Gas, Form C-104, filed with your office October 27, 1972, for the above captioned well to indicate under Section III, that the authorized transporter of dry gas is Skelly Oil Company, Box 1351, Midland, Texas, 79701.

This well was connected October 28, 1972, and gas will be furnished to Cactus Drilling Company, P. O. Box 32, Midland, Texas, 79701, for fuel to operate their drilling rig presently located at our Cedar Canyon-10 Well No. 1. Estimated duration of this gas connection is 75 days. A new Form C-104 will be filed as soon as this well is connected to El Paso, who is to be the permanent gas purchaser. Gas Purchaser's Monthly Report, Form C-111, covering monthly gas volumes furnished Cactus will be filed by Skelly.

Yours very truly,

J. R. Avent
