Gentlemen:

The above captioned well is located in Unit Letter P, 770' FSL and 770' FEL of Section 9-24S-29E, Eddy County, New Mexico.

This well is an unorthodox location, as it is located closer than the 1650 feet to a section line as called for in Rule 4 of Order No. R-4477. The well was completed prior to the establishment of special rules.

New Forms C-102 dedicating 640 acres to the well will be filed within the next few days.

Very truly yours,

C. J. Love
