Re: Condensate Sale
Stephens A No. 1
N Sec 7-235-27E
S. Carlsbad Field
Eddy Co. N.M.

Gentlemen:

This is to advise that on June 14, 1977 the Permian Corporation moved 95 Barrels of condensate from the captioned lease for the account of Navajo Refining.

Navajo will continue in the future, as in the past, to purchase the oil from this lease.

This condensate movement was erroneously made by Permian as the result of a mistake by the pumper in notifying the purchaser.

This purchase will be shown on the C-115 as being made by Navajo.

If additional information is required please advise.

Yours very truly

P.R. BLANCETT
Acting Area Prod. Supt.
