PACKER_SETTING AFFIDAVIT (Dual Completions)

Ryan Well No. 1 , located in Unit (lease) Letter D , Section 5 , Township 23-S , Range 27-E , NMPM, Eddy County, New Mexico. That said packer was set at a subsurface depth of 10,386 feet, said depth measurement having been furnished by tubing measurements and Schlumberg Wireline. That the purpose of setting this packer was to effect a seal in the annular space between the two strings of pipe where the packer was set so as to prevent the commingling, within the well-bore, of fluids produced from a stratum above the packer. That this packer was properly set and that it did, when set, effectively and absolutely seal off the annular space between the two strings of pipe where it was set in such manner as that it prevented any movement of fluids across the packer. The Superior Oil Company (Company) Terry D. Clay (its Agent)
