Gentlemen:

We hereby acknowledge receipt of a Notice of Gas Connection from Llano, Inc. reporting a connection to the subject well on 5-18-74.

To date, we have not received Form C-104 designating Llano as a gas transporter on said well.

If this well is to have a split connection, please submit Form C-104 indicating same.

If you have any questions concerning this, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
