Gentlemen:

The above referenced wells, after long shut-in periods awaiting gas contracts, have been connected to Llano, Inc. sales line. All necessary paperwork concerning the change-over from El Paso Natural Gas Co. to Llano, Inc. has been filed prior to this writing.

In order to change the existing status from Marginal to Top Allowable, we are submitting, for your approval, one-point deliverability tests on each well. Your consideration in this matter is appreciated.

Sincerely yours,

BELCO PETROLEUM CORPORATION
