

- (9) Location of Air Strips: None
- (10) Location of Rig: See attachment
- (11) Plans for Restoration: Pits will be leveled and land will be returned as near as possible to original condition.
- (12) Other: See attached mud program and BOP description.

Clayton W. Williams, Jr. respectfully requests that this plan of development be approved. Please advise if you require any additional information.

Yours very truly,

Clayton W. Williams, Jr.
