Re: Application to Drill  
Allied-State #1  
Carlsbad Airport Area  
Eddy County, New Mexico

Dear Bill:

In accordance with your telephone request this morning, I am enclosing copies of our location approval from the FAA and the City of Carlsbad. I do recall your having requested that you be notified of the approval from the City of Carlsbad; however, we simply did not communicate here in the office. Sorry for the oversight.

Yours very truly,

John R. Nolen  
Division Land
