Re: Allied State #1
South Carlsbad Field
Eddy County, New Mexico

Dear Mr. Gressett:

This letter is to follow up our conversation this morning. I am submitting a supplement to the State Form "103" for the captioned well mailed 1-12-76.

Select Well Service Co., Hobbs, New Mexico, will furnish the 2-3/8" Double Shaffer, pipe and blind rams, BOP that will be used on this well. TIPCO uses BOP on all its workovers.

Very truly yours,

T I P C O

Jack M. Miles
Manager of Drilling
