Gentlemen:

The surface development plan for the proposed Franklin et al Federal No. 1  
is as follows:

1. Existing Roads - see attached map.
2. Planned access road - existing road is adjacent to location - see  
attached map.
3. Location of wells - see attached map.
4. Lateral roads to wells location - none.
5. Location of tank batteries and flow lines - none on lease. Battery  
is to be installed on location if well is productive.
6. Location and types of water supply - no water available in area. Water  
is to be hauled to proposed location.
7. Methods of handling waste disposal - waste to be burned or buried at  
job completion.
8. Location of camps - none in area.
9. Location of airstrips - none in area.
10. Location layout - see attached drawing.
11. Plans for restroation of surface - area to be free of waste material.  
Pits are to be filled and leveled after completion of work.
12. Other essential information - none.

Yours very truly,

*K. J. Breazeale*
