Well No. 1

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

We respectfully request approval to dual complete the South Carlsbad Gas Com. No. 4 Well No. 1 located in Unit "G", Section 27, T-23-S, R-26-E, Eddy County, New Mexico.

It is proposed to dually complete this well in a conventional manner through parallel strings of 2-3/8" tubing with separation of the zones by use of production-type packers that will effectively prevent communication between producing zones.

By copy of this letter, we are notifying all offset operators of this application. If the offset operators have no objection to this application, we are requesting that they execute the attached waiver and forward a copy to the Oil Conservation Commission, P. O. Box 2088, Santa Fe, New Mexico 87501, and return one copy to this office.

Very truly yours,

  
R. E. Hammond
