Und. Cass Draw Wolfcamp Pool

Gentlemen:

This office has received the notice of connect from Gas
Company of New Mexico for the gas production from the Morrow
and Wolfcamp formations.

Please file a C-103 showing the completion of the Wolfcamp
formation.

We also need a C-104, Request for Allowable, showing potential
and purchasers.

When these have been received and approved, an allowable can
be set for this well.

Sincerely,

Leslie A. Clements
Supervisor, District II
