Gentlemen:

Union Pacific Resources Company is in receipt of your Temporarily Abandoned Wells Report (attached) which lists the above referenced wells. Please be advised that the referenced wells are not producing from the Carlsbad Morrow, East (Gas) but they both currently produce from the Carlsbad Wolfcamp, East (Gas) and have continuously produced from the Wolfcamp since 1979. I, therefore, request that they be deleted from your report.

If you need any additional information, please contact me at (817) 877-7325.

Respectfully yours,

UNION PACIFIC RESOURCES COMPANY
