**Gentlemen:**

**This will refer to your Notice of Intention to Drill a well 1980 feet from the West line and 1980 feet from the North line of Section 24, Township 23 South, Range 30 East, Eddy County, New Mexico, to which an objection has been filed by International Minerals & Chemical Corporation.**

**Under the provisions of Commission Order No. R-111-A, the next step would be to arrange an arbitration meeting between the interested parties. In the past we have held these meetings in the U. S. Geological Survey Regional Offices in Roswell. If it is your desire that such a meeting be held I would appreciate a reply from you at your earliest convenience so that a date can be established.**

**Very truly yours,**

September 21, 1973

Phillips Petroleum Company  
Room 711 - Phillips Building  
Oklahoma, Texas 73101

Gentlemen:

This will refer to your Notice of Intention to Drill a well  
1880 feet from the West line and 1980 feet from the North  
line of Section 24, Township 33 South, Range 30 East, T89N  
County, New Mexico, to which an objection has been filed by  
International Minerals & Chemical Corporation.

Under the provisions of Commission Order No. R-111-A, the  
next step would be to arrange an arbitration meeting between  
the interested parties. In the past we have held these meet-  
ings in the U. S. Geological Survey regional offices in  
New Mexico. It is your desire that such a meeting be held in  
Oklahoma. We would appreciate a reply from you at your earliest convenience  
so that a date can be established.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director

Regional Oil & Gas Supervisor, USGS, Roswell, New Mexico  
Mr. Bill Greenleaf, Supervisor - Oil Conservation Commission,  
Albuquerque, New Mexico  
Mr. Bill Greenleaf, Supervisor - Oil Conservation Commission,
