Re: P&A Trail Canyon Unit  
#1-D, 11-24-23, Eddy  
County, New Mexico

Gentlemen:

A recent inspection of subject well-site February 11, 1975 revealed the pits had not been leveled in compliance with N. M. Oil Conservation Commission Rules & Regulations-Rule 202.

It is imperative that this leveling be accomplished at your earliest convenience and this office notified of such, in order to avoid further unnecessary inspection trips to this location.

Yours truly,

OIL CONSERVATION COMMISSION

  
Leon R. Bergstrom  
Oil & Gas Inspector
