Gentlemen:

We hereby acknowledge receipt of Form C-103, 105 and one set of logs on the subject well.

However; to date, we have not received the report on the Deviation Tests or the Drill Stem Tests.

Further, I am returning the Plugging Report since it is not in accordance with the program as discussed with Mr. Smith on November 7, 1974. Please re-submit a Notice of Intent to P & A and a Subsequent Report of P & A with the plugs shown as per telephone conversation with Mr. Smith.

Further, in the future, please see that all reports are timely submitted.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,
