Re: Operator Name Change  
Bond Approval

Dear Mr. Grace,

This morning our office received a telephone call from Diane Richardson in Santa Fe. She had received the rider for your bond, changing the operator name from Michael P. Grace, II to Grace Energy.

However, before she can approve the rider, we will need Form C-104, showing the operator change for all wells now carried under Michael P. Grace, and all wells you are operating that are carried under any other name.

Please send the Form C-104 to this office as soon as possible so that your bond and rider may be approved by the Santa Fe Office.

Very truly yours,

A handwritten signature in cursive script that reads "Leslie A. Clements".
