Re: Henri Grandi #1

Gentlemen:

Please disregard all previous C-101 and C-102 forms presented to your office concerning this well.

Enclosed you will find copies of forms C-101 and C-102 which we hope are correct and complete.

Also enclosed you will find a copy of our application for an exception to and orthodox location for this well. The original and two copies were mailed to the Santa Fe office.

We request your immediate approval for this permit so we may allow Marcum's rig to move in to this location.

If you should have any questions, please do not hesitate to call me collect.

Yours truly,
