Dear Mrs. Wildberger:

To date this office has had no response to our letter of November 21, 1978, (copy enclosed) requesting reports on the subject wells.

Further, on a recent inspection of the subject wells we found the following:

Sulphate Aunt #1, pit not filled and levelled.  
Sulphate Uncle #1, junk on location, pit not filled and levelled.  
Sulphate Cousin #1, marker in error, pit and cellar not filled  
and levelled.  
Sulphate Brother #1, junk on location, pit and cellar not filled  
and levelled.

Please take care of this as soon as possible.

Sincerely yours,

*W. A. Gressett*
