Dear Mrs. Grace:

Enclosed please find copies of letters dated November 21, 1978 and February 19, 1979, from W. A. Gressett, Supervisor of our Artesia district office, to you. These letters request that certain reports be filed with the Artesia district office. These reports relate to certain clean-up operations on the wells.

Unless these reports are received by the Artesia district office within 30 days from the date of this letter, I am prepared to proceed against your bonding company to correct the discrepancies noted Mr. Gressett's letters.

Very truly yours,

ERNEST L. PADILLA  
General Counsel
