South Carlsbad Morrow

Gentlemen:

This office received a telephone call from Diane Richardson in Santa Fe, asking about a C-104, changing the Operator name on the above captioned well.

The latest information we have in this file was received in 1980. This was an approved exception for Rule #302 and #1124.

However, we do not show this well as Shut-in or P & A, but to date have not C-115's, Operator's Monthly Report, for 1983 or 1984. If this is a producing well, a C-115 must be filed each month.

Please inform us of the current status of this well.

Very truly yours,

Leslie A. Clements
