Artesia, New Mexico 88211-0719

Dear Gentleman,

Please find enclosed Forms C-101 and C-102 for your review and approval for my proposed re-entry of the Martin #1 well in Eddy County, New Mexico. The necessary bond has been sent to Diane Richardson in Santa Fe. I would like very much to begin operations on Monday November 27.

Thank you for your cooperation in this matter.

Sincerely,

Arlen Dickson
