☐ Dispose Water

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Upon Consultation with representatives at the Carlsbad Resource Office of the Bureau of Land Management the following work will be performed on the above captioned lease.

- 1.) Reserve pits and working pits will be cut, spread and allowed to dry.
- 2.) If any appreciable water is encountered during the breakout of the pits the area will be fenced.
- 3.) When pits are completely dried the area will be reclaimed as close to original condition as possible.

Please note: M&M Excavating and an agent for Coquina Oil Corp. Inspected the site this date. Shannon Shaw was contacted and he approved the work to begin Wednesday or Thursday August 19-20, 1992.

14. I hereby certify that the foregoing is true and correct

Signed

Sherry L. Jones
