Gentlemen:

We are returning the enclosed Forms C-101 & C-102 on the subject well for corrections and additional information.

On Form C-101, you have marked this a Fee Lease and also show a State Oil & Gas Lease Number, the well number is not in compliance with our memo 2-65 (copy enclosed), and failed to show drilling contractor.

On Form C-102, please complete by showing producing formation, pool, and dedicated acreage. Outline the dedicated acreage, answer #2 & 3 if applicable, and sign the form in the space provided.

Further, according to our records, your bond shows Husky Oil Company of Delaware, the complete name as shown on the bond must be on all forms.

Sincerely yours,

OIL CONSERVATION COMMISSION
