Dear Mr. Collins:

We hereby acknowledge receipt of the logs on the subject well.

My reason for requesting the logs at this time is the recently submitted Form C-103 showing perforations from 8602 to 10480 in the Wolfcamp.

I don't think that all of the above perforations are Wolfcamp.

Please advise as to your picks on the 3rd Bone Springs Sand, Wolfcamp and the Penn tops on this well.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
