Gentlemen:

In accordance with Administrative Order No. WFX-520 (copy attached) dated November 29, 1983, this is to advise that water injection operations on the wells listed below commenced January 31, 1984.

| <u>Old Indian Draw Unit /Delaware/</u> | <u>Location</u>                                      |
|--|--|
| Well No. 2                             | 660' FSL x 1980' FEL, Section 18,<br>T-22-S, R-28-E  |
| Well No. 5                             | 1980' FNL x 1980' FEL, Section 18,<br>T-22-S, R-28-E |
| Well No. 35                            | 1663' FSL x 963' FEL, Section 7,<br>T-22-S, R-28-E   |

Verbal notification that injection commenced was given your office February 1, 1984, per conversation between Mike Williams and Pete McRae.

Conversion operations on the remaining seven wells authorized for injection are not completed; however, I will notify your office before injection commences.

Yours very truly,
