Gentlemen:

This is to advise that on February 17, 1981 the Delta Drilling Company's XL #1 (Morrow) gas well located in Unit G of Section 20, Township 22S, Range 27E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location and operative on newly completed formation; which is connected to El Paso Natural Gas Company.

This disconnection was due to recompletion from Morrow to Canyon.

Yours truly,
