7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Our company drilling program called for the drilling of well 13 followed by well 14. The C-101 that we filed on well 14 ran over the 90 day limit because of delays in obtaining Federal approval on well 13. We expect to spud well 14 in the next week to 10 days and respectfully ask that our C-101, application for permit to drill, be reinstated so that drilling may continue with our drilling program.
