Dear Mr. Cook:

We are returning the enclosed Forms C-103 and C-105 on the subject well for corrections and additional information.

The plugs shown on C-103 do not agree with what our people witnessed in the field, and Form C-105 shows a total depth of 3002 and 5 1/2" casing set at 5000 feet.

Please correct this and complete Form C-105 by filling in the Formation Record from surface to total depth.

If you have any questions concerning this matter, feel free to contact me.

Sincerely,

W. A. Gressett
Supervisor, District II
