RE: Sundry Notice to add perforations
Ogden 8 Comm. #1
Sec. 8-24S-28E
Eddy County, NM.

Dear Mr. Arrant:

Per your request I have enclosed amended form C103 showing the use of blowout prevention. Also, I have enclosed form C102 dedicating the original acreage to the Wolfcamp. Please note that the Wolfcamp was originally permitted on July 20, 1993 as evidenced by the enclosed copy of an approved C101. However, the previous operator neglected to file a form C102. Therefore, please approve our C103 and forward a copy of the approval to my attention at the letterhead address.

Thank you for your assistance in this matter.

Sincerely,

Robert Wadley
Regulatory Analyst
