Re: Old Indian Draw Ut.  
#33-G, 7-22-28  
Eddy County, NM

Dear Mr. Cox:

On a recent field inspection, I noticed the subject well had the incorrect footage of the marker. The P & A marker shows 330 FSL and 330 FWL. The footage should read 2324 FNL and 2230 FEL.

Please correct this marker and notify this office as to when we may re-inspect this location.

Sincerely yours,

Mike Stubblefield  
Oil & Gas Inspector
