Gentlemen:

We are returning the enclosed Forms C-103 and C-105 on the subject well for additional information. On Form C-103, show the hour and date the well was spudded, grade and weight of casing, the type of cement and additives used, the WOC time, pressure test and results of same.

Also, show how the well was plugged back from 4099' to set the casing and all perforations and treating. (According to the scout report, there were perfs reported from 3274-3294'.)

Re-submit Form C-105 on the enclosed new forms or furnish the additional information as required on an attached memo. Also, send us one set of the logs run on the well.

Please advise as to the disposition of the produced water.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
Supervisor, District II
