Gentlemen:

This is to advise that on March 14, 1982 the Aminoil USA, Inc.'s Willow Lake Unit #3 gas well located in Unit K of Section 15, Township 24-S, Range 28-E, Eddy Co., New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to insufficient wellhead pressure to produce into El Paso's gathering system. (Meter #61-974-01)

Yours truly,
