

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Department not later than 10 days after the completion of any newly-drilled or reopened well. It shall be filled out by the owner of all oil, gas and mineral activity having an oil well and a summary of all special tests conducted, including well logs, test results. All test data reported shall be measured as true vertical depth. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 1 through 34 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 113.
