Gentlemen:

This is to advise that on January 7, 1980 the Amoco Production Co.'s Ingalls #1 gas well, meter #58-058-01, located in Unit G of Section 22, Township 23N, Range 38E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion to Bone Springs oil zone.

Yours truly,
