South Carlsbad Morrow Pool

Gentlemen:

Before an allowable can be re-assigned to this well from the South Carlsbad Morrow pool, we need a C-103 showing any perforations or treatment of the Strawn formation as a follow up to the proposal to plug back and recompleate in the Strawn formation, on the C-103 dated October 7, 1982.

Also we need the results of the frac treatment and perforations, when completed as a producing well from the Morrow formation.

Sincerely,

*Leslie A. Clements*
